

New Service from FS4S

Internal Review Service

FS4S have developed a detailed Internal Review Service to guide, support and ensure that academies and their trustees meet and maintain the requirements of the new Academies Financial Handbook 2019. It includes -

An Independent and objective review of the organisation's financial systems and control

Suitable for standalone Academies and Multi Academy Trusts

A comprehensive program of works agreed with the trustees. In the case of MATS this can be either a review of the central service or compliance across the group

An onsite visit followed by a written report outlining recommendations where appropriate to enhance financial controls and risk management

Provision of a short annual summary report

The reviews will be conducted by suitably qualified FS4S staff

Financial Services

We can tailor our services to meet the individual needs of each school, academy or multi academy trust but a sample of the services on offer are –

Regular or one off support for the finance team including training for new staff

Short or long term absence cover including maternity cover

Budget planning and preparation

ESFA returns including but not exclusively Budget Forecast Return, Budget Forecast Return Outturn and SRMSAT
